

Safety and behaviour

- 100% of families felt that the children at Maytree behave well, and any issues with behaviour are handled well.
- 100% of families felt that their child is safe when at Maytree.

"Maytree has always been wonderful. We would always recommend Maytree, friendly staff and wonderful environment. It's the best place to start the first step of a child's life."

Organisation

- 98% of parents felt that the office staff were helpful.
- 100% of parents felt well informed about special events.
- 100% of families agreed that they fully supported the School Fund.

Activities for parents

- 75% of parents attended activities at the Children's Centre. The also found that these activities helped them in supporting their child.
- The remaining families didn't attend, as for some of these families there were no Children's Centre activities, due to the Covid-19 pandemic.
- 38% of parents volunteered, and felt valued as a parent volunteer at Maytree.

"The KP also helped us with our struggles with our child, such as routines and transitioning by suggesting strategies and making visual time tables for us to use at home ."

Thank you to all our families for taking the time to complete the questionnaire and for all of the feedback. Your comments are analysed and used to further improve our service for you and your children.

Any queries or further comments please speak to Melanie (Head of School).

Feedback from our parent's questionnaire

"Great opportunities for children to learn according to their strengths and also supporting my child in regards to this help him develop so much in every area of his learning. He's achieved so much ahead of what he should know for reception already. Super proud!"

Parent

These are the results from the questionnaire given to parents of all children leaving Maytree in July 2023. Out of 54 families, 41 questionnaires were returned. These were sent electronically and on paper.

1 child = 2.4%

“The starting process helps to familiarise about how Maytree works, and have a better understanding of the environment where my child will be.”

“Loved the home visit, was a lovely touch. Really appreciated the support I was given as a parent and the attentiveness given to my child to help him settle into nursery. “

“I honestly think everything has been perfect and amazing.”

Starting at Maytree

- 55% of parents attended the stay and play sessions prior to their child starting and felt that this session helped their child settle into the nursery.
- 100% of parents agreed that the information they received about Maytree was helpful.
- 100% of parents felt that the home/school visit was useful and informative, that it helped them and their child form a relationship with the key person and that the settling in process met the needs of their child.

“It was great variety play based and definitely child centred. All activities like literacy, numeracy, science was presented through play: my child was sharing her fascination about subjects at home e.g. volcanoes!! I like very much introducing different languages and religious/ spiritual celebrations from all cultural backgrounds: parents learnt a lot of too!”

My child's learning

- 100% of families agreed that the quality of learning experiences supported their child's learning.
- 100% of parents agreed that Maytree supported their child to do their best.
- 100% agreed that their child enjoyed being at Maytree.
- 100% of families felt that their culture and family background was respected by staff and that they were seen as a valued member of the community.
- 100% of parents felt well informed about their child's development, and that they have gained an understanding of how young children learn. 100% knew who to go to if they had a concern, that their concerns were listened to and they were satisfied with the response.
